# Interview Skills

## WEBEXPERIENCE !

Does the thought of an interview stress you out?

Invest some time preparing so that you are ready to walk into the interview with knowledge, confidence, and a sense of ease.

Join us for an online, interactive interview skills workshop. We will work collaboratively to review and discuss effective responses to interview questions about curriculum, classroom management, special education and what it means to be a Catholic teacher. Resources, tips, and strategies will be discussed to assist in preparing responses that are rooted in best practice while demonstrating the unique experiences of each participant.

### WHEN

Thursday, June 21
