

Vote at an advance voting location

You can vote at any of the advance voting locations in your electoral district. Advance voting locations are open from 10 AM to 8 PM (Eastern Time).

1. When you arrive at the voting location, you will be asked to show your ID to an election official who will check if you are registered on the voters list.
2. If you are not on the list, the election official will add you to the voters list and ask you to sign a declaration. The election official will then issue you a ballot.
3. You will go behind a voting screen to mark your ballot. To vote for your chosen candidate, mark an X in the circle beside their name, and return the completed ballot to the ballot box.
4. You will place your marked ballot in to the secrecy folder and take it to an election official operating a tabulator.
