

# Peterborough, Victoria, Northumberland and Clarington Unit

## It's your Unit... get on the bus, make a difference.

Aside from the office staff, all the work of the Unit is done by volunteers. We encourage all members to get involved in our Unit's various functions in a variety of capacities. From barbecuing hamburgers to work on Board/OECTA committees, teachers are busy helping other teachers.

In an effort to build on this success, expand it into other areas and involve even more of our teachers, we are soliciting members interested in being involved in any capacity from single events to longer term involvement. If you are interested in becoming more involved in our Unit, please fill out the form below and scan/send it to [president@pvncoecta.ca](mailto:president@pvncoecta.ca) and we'll be in touch.
